Beginner Level Test
Registration Form**

School System: _____ **System Code:** _____

System Test Coordinator Name: _____

Overview: This registration form should be used to collect and submit counts for those Limited English Proficient students who will be taking the Beginner Level MontCAS ELP test.

The Beginner Level (Level 1) is only to be used by LEP students with beginning or novice skills in English. So, it would be appropriate for students in their first year in a U.S. school (LEP1) and other LEP students who are not reading simple stories and writing simple sentences. First-grade students who are not reading simple stories should take the Level 1 test. [Note: Any LEP1 students who have more than basic English language skills should take the Intermediate Level (Level 2) test.]

Directions: Please complete a copy of this form for each school in your system with Beginner Level students. This information is needed by the testing vendor no later than August 21, 2009 in order for your system to receive the necessary materials for the Montana English Language Proficiency Assessment, which will be given to all Montana LEP students this fall.
